

## SEDEX

SEDEX, the Supplier Ethical Data Exchange, is a not for profit membership organization dedicated to driving improvements in responsible and ethical business practices in global supply chains.

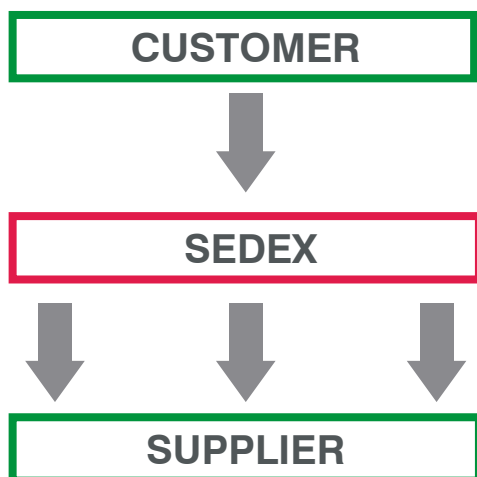

Test Valley Packaging subscribes to SEDEX which is committed to connecting businesses and their global suppliers to share ethical data and enabling continuous improvement in Ethical performance, The environment, Labour standards and Health and Safety,

### What SEDEX does:

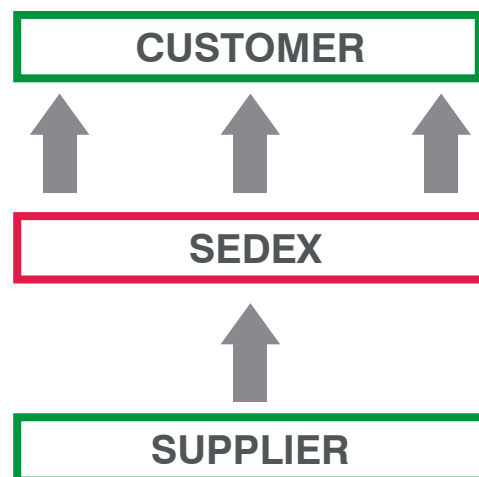

Sedex offers a simple and effective way of managing ethical and responsible practices in your supply chain.

Our core product is a secure, online database which allows members to store, share and report on information in four key areas:

- **Labour Standards**
- **Health & Safety**
- **The Environment**
- **Business Ethics**

Buyers can view and manage ethical information for all their suppliers in one secure place

Suppliers can enter their ethical information and choose to share it with multiple customers on Sedex
